- iv. Where an employee is accessing STLDP, WSIB, or LTD in the current school year as a result of an absence due to the same illness or injury that continued from the previous school year and has returned to work at less than their FTE, the employee will continue to access any unused sick leave days or STLDP days from the previous school year's allocation.

In the event the employee exhausts their STLDP allotment and continues to work part-time their salary will be reduced accordingly and a new prorated sick leave and STLDP allocation will be provided.

Any absences during the working portion of the day will not result in a loss of salary or further reduction in the previous year's sick leave allocation. Once provided, the new allocation will be reconciled as necessary, consistent with (a), (b) and (c) above, to account for any sick leave which may have been advanced prior to the new allocation being provided.

- v. A partial sick leave day or short-term disability day will be deducted for an absence for a partial day.

e) Short-Term Leave and Disability Plan Top-up

- i. Employees accessing STLDP will have access to any unused Sick Leave Days from their last year worked for the purpose of topping up salary to one hundred percent (100%) under the STLDP.
- ii. This top-up is calculated as follows:
Eleven (11) days less the number of sick leave days used in the most recent year worked.
- iii. Each top-up from 90% to 100% requires the corresponding fraction of a day available for top-up.
- iv. In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case-by-case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short Term Paid Leave Days in the current year. These days can be used to top-up salary under the STLDP.
- v. When employees use any part of an STLDP day they may access their top up bank to top up their salary to 100%.

f) Sick Leave and STLDP Eligibility and Allocation for Employees in a Term Assignment

Notwithstanding the parameters outlined above, the following shall apply to Employees in a term assignment:

- i. Employees in term assignments of less than a full year, and/or less than full-time, shall have their allocation of sick leave and STLDP prorated on the basis of the number of workdays compared to the full working year for their classification. The length of the sick leave shall be limited to the length of the assignment.
- ii. Where the length of the term assignment is not known in advance, a projected length must be determined at the start of the assignment in order for the appropriate

allocation of sick leave/STLDP to occur. If a change is made to the length of the term or the FTE, an adjustment will be made to the allocation and applied retroactively.

- iii. An employee who works more than one term assignment in the same school year may carry forward Sick leave and STLDP from one term assignment to the next, provided the assignments occur in the same school year.

g) Administration

- i. The Board may require medical confirmation of illness or injury to substantiate access to sick leave. If the school board requests, the employee shall provide medical confirmation to access STLDP.
- ii. The Board may require information to assess whether an employee is able to return to work and perform the essential duties of their position. Where this is required, such information shall include their limitations, restrictions and disability related needs to assess workplace accommodation as necessary (omitting a diagnosis) and will be collected using the form as per Appendix B. An alternate form may be used where one is mutually developed and agreed upon at the local level.
- iii. If the employee's medical practitioner has indicated on the form referenced in (ii) above that the employee is totally disabled from work, the Board will not inquire further with respect to the employee's abilities and/or restrictions until the next review of the employee's abilities and/or restrictions in accordance with the review date indicated on the form, subject to the Board's ability to seek medical reassessment after a reasonable period of time.
- iv. At no time shall the employer or any of its agents contact the medical practitioner directly.
- v. A board decision to deny access to benefits under sick leave or STLDP will be made on a case-by-case basis and not based solely on a denial of LTD or WSIB.
- vi. The employer shall be responsible for any costs related to independent third-party medical assessments required by the employer.

h) Pension Contributions While on Short-Term Disability

Contributions for OMERS Plan Members:

When an employee/plan member is on short-term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OMERS contributions based on 100% of the employee/plan member's regular pay.

Contributions for OTPP Plan Members:

- i. When an employee/plan member is on short-term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OTPP contributions based on 100% of the employee/plan member's regular pay.

- ii. If the plan employee/plan member exceeds the maximum allowable paid sick leave before qualifying for Long Term Disability (LTD)/Long Term Income Protection (LTIP), pension contributions will cease. The employee/plan member is entitled to complete a purchase of credited service, subject to existing plan provisions for periods of absence due to illness between contributions ceasing under a paid short term sick leave provision and qualification of Long-Term Disability (LTD)/Long Term Income Protection (LTIP) when employee contributions are waived. If an employee/plan member is not approved for LTD/LTIP, such absence shall be subject to existing plan provisions.

RE: WORKPLACE VIOLENCE

The Parties acknowledge that school boards and supervisors are required to provide workers with information, including personal information, related to a risk of workplace violence from a person with a history of violent behaviour, if the worker can be expected to encounter that person in the course of their work and the risk of workplace violence is likely to expose the worker to physical injury.

School Boards and supervisors must not disclose more personal information about a person with a history of violent behaviour than is reasonably necessary to protect workers from physical injury. For instance, workers may not need to know specific personal information, but will be provided with information on the measures and procedures to be followed as part of the workplace violence program in order to protect themselves.

In the case of student safety plans, procedures should be in place so that workers who work directly with the student have access to the student safety plan.

The Parties acknowledge that online reporting tools have been implemented by School Boards, as initiated by 2018:SB06, and the existing systems will be maintained.

By November 30 2023, school boards will recirculate the *Workplace Violence in School Boards: A Guide to the Law* (released in 2018 by the Ministry of Labour) to local health and safety committees.

RE: STATUS QUO CENTRAL ITEMS AS MODIFIED BY THIS AGREEMENT

The parties agree that the following central issues have been addressed at the central table and that the provisions shall remain status quo. For further clarity the following language must be aligned with current local provisions and practices to reflect the provisions of the 2012-13 MOU. As such the following issues shall not be subject to local bargaining or mid-term amendment by the local parties. Disputes arising in respect of such provisions shall be subject to Section 43 of the *School Boards Collective Bargaining Act/ 2014*.

1. Pregnancy Leave Benefits

Definitions

- a) "casual employee" means,
 - i. a casual employee within the meaning of the local collective agreement,
 - ii. if clause (i) does not apply, an employee who is a casual employee as agreed upon by the board and the bargaining agent, or
 - iii. if clauses (i) and (ii) do not apply, an employee who is not regularly scheduled to work
- b) "term assignment" means, in relation to an employee,
 - i. a term assignment within the meaning of the local collective agreement, or
 - ii. where no such definition exists, a term assignment will be defined as twelve (12) days of continuous employment in one assignment

Common Central Provisions

- a) The Employer shall provide for permanent employees and employees in term assignments who access such leaves, a SEB plan to top up their E.I. Benefits. An employee who is eligible for such leave shall receive salary for a period immediately following the birth of her child, but with no deduction from sick leave or the Short-Term Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the employee receives from

E.I. and her regular gross pay.

- b) SEB payments are available only to supplement E.I. benefits during the absence period as specified in this plan.
- c) Employees in term assignments shall be entitled to the benefits outlined in a) above, with the length of the SEB benefit limited by the term of the assignment.
- d) Casual employees are not entitled to pregnancy leave benefits.
- e) The employee must provide the Board with proof that she has applied for and is in receipt of employment insurance benefits in accordance with the *Employment Insurance Act*, as amended, before SEB is payable.
- f) Permanent employees and employees in term assignments not eligible for employment insurance benefits or the SEB plan will receive 100% of salary from the employer for the total of not less than eight (8) weeks with no deduction from sick leave or STLDP.
- g) Where any part of the eight (8) weeks falls during the period of time that is not paid (i.e. summer, March Break, etc.), the remainder of the eight (8) weeks of top up shall be payable after that period of time.
- h) Permanent employees and employees in term assignments who require longer than the eight (8) week recuperation period shall have access to sick leave and the STLDP subject to meeting the requirements to provide acceptable medical verification.
- i) If an employee begins pregnancy leave while on approved leave from the employer, the above maternity benefits provisions apply.
- j) The start date for the payment of the pregnancy benefits shall be the earlier of the due date or the birth of the child.
- k) Births that occur during an unpaid period (i.e. summer, March break, etc.) shall still trigger the pregnancy benefits. In those cases the pregnancy benefits shall commence on the first day after the unpaid period.

Local Bargaining Units will identify which of the SEB Plans below apply in their circumstance. The applicable language must be included with the Common Central language above as paragraph I). The full article should then reside in Part B of the collective agreement:

- i. A SEB plan to top up their E.I. Benefits for eight (8) weeks of 100% salary is the minimum for all eligible employees. An employee who is eligible for such leave shall receive 100% salary for a period not to exceed eight (8) weeks immediately following the birth of her child but with no deduction from sick leave or the Short-Term Leave Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the employee

receives from E.I. and their regular gross pay;

- ii. A SEB Plan with existing superior entitlements;
- iii. A SEB or salary replacement plan noted above that is altered to include six (6) weeks at 100%, subject to the aforementioned rules and conditions, plus meshing with any superior entitlements to maternity benefits. For example, seventeen (17) weeks at 90% pay would be revised to provide six (6) weeks at 100% pay and an additional eleven (11) weeks at 90%.

2. Workplace Safety Insurance Benefits (WSIB) Top Up Benefits

Where a class of employees was entitled to receive WSIB top-up on August 31, 2012 deducted from sick leave, the parties must incorporate those same provisions without deduction from sick leave in the 2014-2017 collective agreement. The top-up amount to a maximum of four (4) years and six (6) months shall be included in the 2014-17 collective agreement.

Employees who were receiving WSIB top-up on September 1, 2012 shall have the cap of four (4) years and six (6) months reduced by the length of time for which the employee received WSIB top-up prior to September 1, 2012.

For boards who did not have WSIB top-up prior to the MOU, status quo to be determined.

3. Short Term Paid Leaves

The parties agree that the issue of short term paid leaves has been addressed at the central table and the provisions shall remain status quo to the provisions in current local collective agreements. For further clarity, any leave of absence in the 2008-2012 local collective agreement that utilized deduction from sick leave, for reasons other than personal illness shall be granted without loss of salary or deduction from sick leave, to a maximum of five (5) days per school year. For clarity, those boards that had five (5) or less shall remain at that level. Boards that had five (5) or more days shall be capped at five (5) days. These days shall not be used for the purpose of sick leave, nor shall they accumulate from year to year.

Short term paid leave provisions in the 2008-12 collective agreement that did not utilize deduction from sick leave remain status quo and must be incorporated into the 2014-17 collective agreement. Provisions with regard to short term paid leaves shall not be subject to local bargaining or amendment by local parties. However, existing local collective agreement language may need to be revised in order to align with the terms herein.

4. Retirement Gratuities

The issue of Retirement Gratuities has been addressed at the Central Table and the parties agree that formulae contained in current local collective agreements for calculating Retirement Gratuities shall govern payment of retirement gratuities and be limited in their application to terms outlined in Appendix A - Retirement Gratuities.

Disputes arising in respect of such provisions shall be subject to Section 43 of the *School Boards Collective Bargaining Act*.

The following language shall be inserted unaltered as a preamble to Retirement Gratuity language into every collective agreement:

“Retirement Gratuities were frozen as of August 31, 2012. An Employee is not eligible to receive a sick leave credit gratuity or any non-sick leave credit retirement gratuity (such as, but not limited to, service gratuities or RRSP contributions) after August 31, 2012, except a sick leave credit gratuity that the Employee had accumulated and was eligible to receive as of that day.

The following language applies only to those employees eligible for the gratuity above:”
[insert current Retirement Gratuity language from local collective agreement]

5. Long Term Disability (LTD)

The Long Term Disability (LTD) waiting periods, if any, contained in the 2008-2012 collective agreement should be retained as written. However, to reflect current requirements, plans with a waiting period of more than 130 days shall cause the Short-Term Leave and Disability Plan to be extended to the minimum waiting period required by the plan.

L18:01 Intent and Definition of Grievances

It is mutually agreed that it is in the spirit and intent of this Article to settle, in an orderly procedure, grievances arising from the interpretation, application, administration or alleged contravention of this Agreement, including any question as to whether a matter is arbitrable.

L18:02 Informal Stage

Any dispute to be recognized as a grievance must first be discussed by the employee, a Union representative (if the employee desires) and the Human Resources liaison person designated by the Board. If the grievor is unable to resolve the dispute, the Union may file a formal grievance at Step 1.

L18:03 Step One

If the dispute is not deemed to be settled on the basis of the informal discussions as set out above, the Union shall submit a formal grievance notice in writing within fourteen (14) school calendar days of the employee becoming aware of the circumstances giving rise to the complaint, or after the date when the event could reasonably have been detected to the Senior Administrator responsible for Human Resources or designate. The written notice shall contain the complete grievance, list all

clauses by specific number alleged to have been violated, the settlement requested and shall not be subject to change after submission. The Senior Administrator responsible for Human Resources or designate shall meet with the grievor and the grievor's representative(s) within twenty-one (21) school calendar days following the day the grievance was received. The Senior Administrator responsible for Human Resources or designate shall provide a written answer within twenty-one (21) school calendar days of the meeting being held.

L18:04 Step Two

If the grievance is not deemed to be settled on the basis of the answer given in Step One, the Union shall, within fourteen (14) school calendar days of receipt of the Step One answer, notify the Director of Education or designate, in writing that a grievance meeting is requested. The Director of Education or designate, and other persons that the Director of Education or designate deems appropriate, shall meet with up to three (3) members of the Union including the grievor, should the grievor wish to attend the meeting, within twenty-one (21) school calendar days of receipt of the notice. The Director of Education or designate, shall provide a written answer within twenty-one (21) school calendar days of the meeting being held.

L18:05 Step Three

If the grievance is not deemed to be settled on the basis of the answer given in Step Two, the Union shall, within seven (7) school calendar days of the receipt of the answer given in Step Two, notify the Director of Education in writing, of its desire to submit the grievance to arbitration. The notice shall contain the name and address of the Union's proposed single arbitrator. The Director of Education or designate shall, within fourteen (14) school calendar days inform the Union of the Board's acceptance of the Union's proposed single arbitrator or shall propose an alternative single arbitrator. If the two parties fail to agree upon a single arbitrator within the time limit, either the Union or the Board may request the appointment of an arbitrator by the Ministry of Labour

L18:06 The single arbitrator or arbitration board shall hear and determine the grievance and shall issue a decision which is final and binding upon the parties.

L18:07 The single arbitrator or arbitration board shall not have the power to change, modify, extend or amend the provisions of the Agreement.

L18:08 The time limits fixed herein for the grievance procedure may be extended only upon the written mutual consent of the parties. One or more steps in the grievance procedure may be omitted in the processing of a grievance only upon the written mutual consent of the parties.

L18:09 Group Grievance

Step Three Grievance Filed by the Union or by the Board.

The Union or the Board may lodge a grievance in writing against the other within fourteen (14) school calendar days after detection of the event, which gave rise to the grievance. The Board or a representative committee of the Board shall meet with the Executive of the Union within fourteen (14) school calendar days from the date the grievance was received by the opposite party. The decision of the Board or the Union shall be forwarded in writing together with the reasons therefore to the party lodging the grievance within seven (7) school calendar days after the meeting. If the grievor rejects the

decision, the grievor shall notify the opposite party in writing accordingly within seven (7) school calendar days after receiving the decision.

Note: The Union will notify the Director of Education.
The Board will notify the President of the Union.

L18:10 Group grievances may only be filed within fourteen (14) school calendar days of either party becoming aware of the circumstances giving rise to the complaint, or within fourteen (14) school calendar days after the event when the event could reasonably have been detected.

L18:11 It is understood that the parties may mutually agree in writing to submit the grievance to an arbitration board in Step Three rather than a single arbitrator. The Union shall within seven (7) school calendar days of the receipt of the answer given in Step Two, notify the Director of Education in writing, of its desire to submit the grievance to arbitration. The notice shall contain the name and address of the Union's appointee to the arbitration board. The Director of Education or designate shall, within fourteen (14) school calendar days inform the Union of the Board's appointee to the arbitration board. The two appointees shall within fourteen (14) school calendar days or such longer time as they may agree upon, appoint a third person who shall be the chair. If the recipient of the notice fails to agree upon a chair within the time limit, either the Union or the Board may request the appointment of a chair by the Ministry of Labour.

L18:12 The decision of the majority is the decision of the arbitration board, but if there is no majority, the decision of the chairman governs. The decision of the arbitration board shall be final and binding and enforceable on the parties

L18:13 Each party shall bear the fee and/or expenses of its appointee to the arbitration board and any fees and/or expenses of the chairman shall be borne equally by the parties. Each party shall bear, at its own expense, the cost of counsel or advisers at each Step of the grievance procedure.

L18:14 A grievance may be submitted to expedited arbitration under Section 49 of the Labour Relations Act.

L18:15 Grievance Mediation

(a) At any stage in the grievance procedure, the parties by mutual consent in writing, may elect to resolve the grievance by using grievance mediation. The parties shall agree on the individual to be the mediator and the time frame in which the resolution is to be reached.

(b) The timelines outlined in the grievance procedure shall be frozen at the time the parties mutually agreed in writing to use the grievance mediation procedure.
